TO BRUK DEFENSES INVADED

Dispatches Report English and Australian Forces Drive Eight Miles Through Defenses of Italian Libyan Port, Within Three Miles of City; Many Prisoners Reported Taken in Drive

NAVAL BOMBARDMENT AND AIR RAIDS HELP

Cairo, Egypt, Jan. 22.—(P)—British forces having driven eight miles through the defenses of Tobruk were within three miles of the town itself at dusk yesterday and "today operations are again developing satisfactorily," the British command announced today.

Dispatches reaching here prior to this announcement said that storming British and Australian forces, aided by the Royal Navy and Air Force, had registered their gains after smashing both the outer defenses of the Italian Libyan port.

Launching their assault at dawn yesterday, the British were said to have smashed these defenses by noon.

The British command's announcement said:

"By dusk yesterday evening our attack had penetrated the defenses of Tobruk to a depth of eight miles and our forward troops had firmly established themselves in positions directly overlooking and within three miles of the town of Tobruk itself. Today operations are again developing satisfactorily."

In East Africa, the British announced that the Italians had withdrawn forty miles east of the Anglo-Egyptian Sudan - British border, were giving ground east of Metemma and were being driven back from positions inside the Kenya-Ethiopian frontier.

Reuters, British news agency, reported from Sydney that Australian army headquarters had been advised Tobruk fell today.

A part of the 30,000 Italian troops in the beleaguered port surrendered yesterday, the British high command announced, leaving the remainder hemmed in without hope of escape.

Tobruk, 80 miles from the Egyptian border, was reported reduced to ruins by the big guns of the British, and clouds of smoke from burning petrol dumps hung over the town.

VETERAN JURIST TO RETIRE FROM SUPREME COURT

Justice James C. McReynolds, only remaining conservative on bench, notifies President of intention to quit Feb. 1.

JACKSON MENTIONED

Washington, Jan. 22.—(P)—Justice James Clark McReynolds, outspoken opponent of much New Deal legislation, notified President Roosevelt today he would retire from the Supreme Court February 1 after 26 years of service.

The veteran jurist, who will be 79 February 3, is the only member of the tribunal described by administration officials as "conservative."

His retirement opens the way for Mr. Roosevelt to make his sixth appointment to the nine-man court. There have been reports that Chief Justice Hughes, 78, might retire soon, but they have been unconfirmed. Friends expressed the belief that Hughes would remain on the court as long as his health permitted him to do the work.

Attorney General Robert H. Jackson has been mentioned frequently as a possible appointee to the first vacancy on the court.

McReynolds' notification to the president was a formal, two-sentence letter, it stated his intention of withdrawing from the court under the law permitting the retirement at full pay of \$20,000 annually of justices over 70 who have served 10 consecutive years on the supreme bench.

LARGE STEEL ORDERS MAY BE SIDETRACKED

Pittsburgh, Jan. 22.—(P)—Large orders for steel for automobiles may be sidetracked by the national defense production needs, members of the National Automobile Dealers' Association were told by Howard V. Clark, a Carnegie-Illinois Steel Company sales manager.

"Most automobile manufacturers have enough still on hand to carry them through their May and June production—but filling of additional orders will depend entirely upon the decisions of government priority boards," he said at the association's convention yesterday.

NEW AID MEASURE OFFERED

Opponent of Administration Lend-Lease Bill Proposes Loan Up to \$2,000,000,000 to Permit England to Buy American-Made War Supplies, Senate Committee Plans Hearings

KENNEDY COMPLETES LENGTHY TESTIMONY

Washington, Jan. 22.—(P)—After President Roosevelt labeled various criticisms of the British aid bill as "cow-jump-over-the-moon stuff," Rep. Fish (R-NY) offered a counter-proposal today for lending England up to \$2,000,000,000 of federal money to buy American-made war supplies.

Fish, a leading foe of the administration measure, said that his substitute bill would provide quick credit "without destroying our constitutional form of government."

He completed drafting it following the appearance before the house foreign affairs committee of Joseph P. Kennedy, American ambassador to Great Britain, who registered opposition to the administration bill "in its present form." Hearings resumed today.

Across the capitol, the senate foreign relations committee was called together to talk over procedure for its own hearings. Chairman George (D-Ga.) said that they might be delayed until next week, although he preferred to have testimony at once.

Mr. Roosevelt's nursery-rhyme comment about objections to the bill was made at his press conference yesterday afternoon.

He used the Mother Goose phrase in dismissing discussion among congressional opponents that he might use the bill to give away naval vessels or use them to convoy ships across the Atlantic to the British Isles.

No consideration has been given, he said, to the question of sending convoys.

Although Mr. Roosevelt did not mention Kennedy's testimony, the ambassador told the house committee yesterday that he would not object to including a ban on convoys in the pending legislation.

FEDERAL PROBE IS STARTED IN O'HARA SINKING

Boston, Jan. 22.—(P)—Federal investigators began an inquiry today into Boston harbor's worst tragedy in history—the sinking of the fishing schooner Mary E. O'Hara yesterday with the loss of 18 men.

Officials of the United States Coast Guard and the U. S. attorney general's office joined in an attempt to determine why the inward bound vessel collided with an anchored coal barge, the Winifred, Sheridan of Philadelphia.

Take Off! "Enemy Bombers" Menace Industrial East

Army pilots at Mitchell Field, N. Y., rush to their pursuit planes for takeoff to intercept "enemy bombers" attacking industrial centers from New York to Boston. Flyer third from left appears to be more interested in camera than bombers, probably because he knows the "enemy" planes are really just U. S. Douglas bombers taking part in air defense command exercises.

Federal Economic Defense Agency Under Consideration By President To Coordinate Phases of Defense

Washington, Jan. 22.—(P)—A federal agency entrusted with the responsibilities of economic defense is being planned by President Roosevelt, authoritative officials reported today.

One of the main tasks of the unit, it was said, may be to keep dollar, exchange and essential materials out of the hands of the Axis powers.

The projected agency, officials stated, would be charged with coordinating all economic phases of the defense program and would constitute, in effect, a companion organization to the office of production management—the Knudsen-Hillman board which has been placed in charge of the nation's armaments manufacture effort.

The idea for such a component in the defense setup was understood to have been broached first in the economic preparations which (Turn to Page Thirteen)

STATE NYA HEAD TO QUIT FEBRUARY 1ST

Harrisburg, Jan. 22.—(P)—Walter S. Cowing, state administrator of the National Youth Administration since 1937, announced his resignation last night, effective February 1.

Cowing, who had been on leave of absence since last month because of illness, said he expected to be as "well as ever" shortly, but the defense program cannot wait upon the individual and his absence has been a serious factor.

National Youth Administrator Aubrey Williams, Cowing said, had accepted his resignation and would probably have a successor before the end of the month. Cecil Schwartz, deputy state administrator, has been acting head of the department in Cowing's absence.

High School Musicians of District Here Tomorrow For Band Event

Nearly 50 homes in Warren, those of friends and members of the School Music Boosters' Club, will have a "welcome" mat on the doorstep tomorrow morning to greet representatives of 19 schools of the section, here to participate in the three-day band festival of the Northwest District, Pennsylvania State Music Association.

Arrangements have all been completed by club committees and school authorities for housing 120 students who will assemble Thursday morning for their first combined rehearsal in preparation for the two concerts to be given in the Beatty school auditorium at 8 p.m. on Friday and Saturday evenings.

These young people, many of them accompanied by their musical directors, will come from the following high schools: Albion, Cambridge Springs, Conneaut Lake, Corry, Cranberry Township, Erie, Edinboro, Lawrence Park, McKean, Mill Creek, Oil City, Rockdale, Sagartown, Sheffield, Springboro, Strong Vincent, Union City, Waterford, Warren and Youngsville.

Clinic conductor and guest director for the three days will be Walter Beejer, of Ithaca College, Ithaca, N. Y., who is a member of the executive board of the New York State Music Association and on the accredited list of judges in Region Three for national competitions. He has been guest conductor for several clinic boards in

UAW-CIO HEAD CHARGES FORD FIRM FAVORED

Claims War Department Changed Specifications of Army's New Midget Trucks to Give Defense Contracts to Company

Detroit, Jan. 22.—(P)—R. J. Thomas, president of the United Automobile Workers-CIO, said today that the War Department had "favored" the Ford Motor Company at the expense of defense requirements in awarding contracts for the army's new "midget" trucks.

"The War Department has not only favored the Ford Motor Company, many times a violator of the Wagner Act, with rich defense contracts," the union head declared in a statement to newspapers, "but it has also, at the request of the company, changed specifications in such a way to materially reduce the military value of cars ordered from Ford."

Thomas said the UAW-CIO would press for an immediate congressional investigation of the midget truck order, said to be worth \$1,400,000, given to Ford. (Turn to Page Thirteen)

STRIKE AVERTED IN WEST COAST AIRPLANE PLANT

San Diego, Calif., Jan. 22.—(P)—A strike which threatened to tie up the Ryan Aeronautical Co. plant, busy on government aircraft orders, was averted today as company and CIO representatives agreed on a new contract.

Harry C. Malcom, the federal conciliator, announced the settlement and said no statement of the contract's terms would be released until meeting of the United Automobile Workers' local tonight to ratify it.

Simultaneously, Richard T. Frankenstein, CIO negotiator, announced plans for an immediate drive to organize the large Consolidated plant here, which has a backlog approximating \$350,000 in government and foreign orders and employs more than 15,000 workers.

The Ryan settlement, coming shortly before 3:30 a. m. (P. S. T.) today, averted a strike scheduled for 7 a. m. Earlier the walkout had been ordered for 7 a. m. yesterday but the deadline was extended until 7 p. m. and at that hour negotiators "stopped the clock" to continue their discussions.

Ryan employs about 1,000 workers and has a backlog of \$11,400,000 in orders for military planes. Consolidated manufactures long range patrol bombers for the army and navy, supplying famous navy PB-4's which have made many flights from here to Hawaii, the Philippines and the Canal Zone.

It recently started production of XB24 four-motored land bombers and manufactures a similar craft, B24, for Great Britain.

Churchill Indicates Necessity for Supplying Army On European Continent Is Impelling Reason for Conscription of Labor

MAN POWER IS NEEDED

By The Associated Press
London, Jan. 22.—Prime Minister Churchill indicated today that Britain's plan for an invasion of the European continent was an impelling reason for the government's preparations to conscript labor.

He referred to the need of supplying "an army that could be taken overseas with all it would require for continuous action against the Germans" and said plans to meet this need were "just beginning to come into production."

Therefore an "intense demand on the man and woman power of the country" could not be avoided in the next six months, the prime minister said. The plan to register labor was announced by Labor Minister Ernest Bevin yesterday.

He also said that "it may well be that while I am speaking, the house group, probably before the end of the day, will be in our hands."

The prime minister made no further reference to the fate of the Italian stronghold in Libya.

MINE BLAST IN WEST VIRGINIA FATAL TO FOUR

Welch, W. Va., Jan. 22.—(P)—Four men were killed and 14 others injured today in an explosion deep in the Carswell mine of the Koppers Coal Company near Kimball.

The blast, which occurred about 4:30 a. m., trapped 18 men who were loading coal on conveyors on the night shift.

Twelve were taken to hospitals in Welch and two others escaped with minor burns.

Mine inspectors reported at 9:30 a. m. that the four dead had been reached and would be brought to the surface shortly. There was no damage to the mine, they reported.

The Carswell mine, which has been operated by Koppers for more than a decade, is about seven miles east of Welch and a little more than a mile from Kimball, one of the important mining communities in the southern West Virginia field.

Oregon Senator Bases Opposition on Extraordinary Power Granted to One Person by Lend-Lease Bill; Socialist Leader Reads Prepared Statement Criticizing Motives Involved

Washington, Jan. 22.—(P)—Senator McNary of Oregon, the Republican leader and running mate of Wendell L. Willkie in the 1940 presidential campaign, announced today that he is opposed to the administration's lend-lease bill in its present form "because it grants extraordinary and total power to one person."

McNary, back in the capital for the first time since October 26, defined his position on the legislation as the house foreign affairs committee received a statement of opposition from Norman Thomas, the Socialist leader, who described the bill as contrary to "democratic control by the people over their own destiny."

The senate foreign relations committee decided to begin public hearings on the legislation at 10 a. m. (EST) Monday. Chairman George (D-Ga.) said Secretary Hull, who already has appeared before the house group, probably would be called as first witness.

The senate committee also decided to assign to a single subcommittee two resolutions seeking an inquiry into foreign propaganda in this country. The group which will attempt to merge them into a single resolution, consists of Senators Harrison (D-Miss.), chairman, Connally (D-Tex.), Barkley (D-Ky.), Vandenberg (R-Mich.) and Clark (D-Mo.).

To his opposition to the bill "in its present form" McNary added the declaration that he was thoroughly in accord with the principle of extending aid short of war to Great Britain.

But of the lend-lease bill he said "this is not the democratic way of life and I earnestly hope that the bill may be modified by appropriate committees or after debate in the congress."

"During the fall months the president was advocating aid to (Turn to Page Thirteen)

WILLKIE STARTS CLIPPER FLIGHT

New York, Jan. 22.—(P)—Wendell L. Willkie started for England aboard a clipper plane today as, in his words, "a private citizen—an individual determined to find out what is going on."

The big flying boat pulled away from the marine terminal at La Guardia Field at 8:20 a. m. (EST) bound for Scapa, and Lisbon. From Lisbon, Willkie is to fly to London on a British overseas airways plane.

Although he carried a personal letter from President Roosevelt to Prime Minister Winston Churchill, the defeated Republican presidential candidate emphasized at the airport what he has said previously: that he was going to England "on his own" and not as an envoy of any kind.

Record-Breaking Attendance at Farm Show Seen As Exposition Reaches Halfway Mark

Harrisburg, Jan. 22.—(P)—The prize pigs of the 25th annual State Farm Show, went on the auction block today as the five-day exposition reached its halfway mark seemingly headed for record-shattering attendance heights.

The swine, judged on the first two days of the week in a small arena, put on their own side-show today as cattle were paraded before judges in the main amphitheater.

The swine show and sale were confined to the members of the State Swine Breed Associations of Pennsylvania.

Prices of important industrial raw materials have advanced materially since the start of the war, but the gain is relatively moderate when compared with levels which they have reached in the past. As the above Associated Press chart shows, most of them are below their 1937 peaks even though today they are being consumed in greater volume.

Institute of Understanding Opens Tomorrow With Noted Speaker Giving Talk at High School Here

The Institute of Understanding sponsored by the Warren Rotary Club starts tomorrow night at 8:00 o'clock at the high school with Major C. Douglas Booth of New York City as the lecturer and discussion leader. This will be the first of a series of four lectures and forum on current day problems and is open to the entire community.

Major Booth, traveler publicist, and lecturer, was born in Canada and educated at St. Andrews College, Toronto, Loyola University, and the Academy of International Law in the Hague. During the World War he held the rank of major in His Majesty's forces. He is a member of the Royal Institute of International Affairs, Chatham House, London, before which he has read several papers which were later published in the proceedings of that society.

C. DOUGLAS BOOTH

Dr. Booth has devoted several years to the study of Central European, Mediterranean and Near East problems, and for this purpose has resided or traveled in Morocco, Egypt, Rhodes, Athens, Belgrade, Budapest, Vienna, Paris, and London. Among his books and articles, "Italy's Aegean Possessions," published in London in 1928, is well known in America.

His lecturing experience is varied, including political work for the National Liberal Party in England, lectures on Bonar Law College, some work in the United States for Liberty Loan and Red Cross drives during the World War, and later experiences in England and the United States lecturing on international relations since 1933. Dr. Booth has spent some months of each year in the United States where, in addition to the study of economic and political problems, he has visited some two hundred international relations clubs in colleges and universities in all parts of the United States under the auspices of the Carnegie Endowment.

In the spring of 1933, Dr. Booth was a visiting professor of international relations at Park College, Missouri, and State College of North Dakota. Subsequently, he served in a similar capacity at William Jewell College in Missouri and at Beloit College, Beloit, Wisconsin. The latter institution conferred upon him the degree of LL.D. in recognition of his distinguished services in the field of international relations.

For two years preceding the outbreak of the present war, Dr. Booth was occupied in devising plans in behalf of British and American creditors for the employment of blocked funds in Europe. This work gave him a very practical interest in the vital problems of freezing the flow of international exchange and equipped him to speak with authority on various phases of world economic cooperation since March, 1937. Dr. Booth has addressed one hundred and sixty-eight Institutes of Understanding initiated or sponsored by Rotary clubs.

Assisting with the management of the headquarters room will be representatives of the Warren County Girl Scout Service Bureau which is headed by Mrs. R. W. Mackay.

In addition to the dancing party at North Warren, there will be a social in Warren for those not interested in this form of entertainment and tentative plans call for several other attractions.

YOUNGSVILLE HI DEBATING TEAM GIVES PROGRAM

An interesting feature of the Tuesday meeting of the Parent-Teachers Association was a debate by the high school debating team on the subject Resolved that co-educational schools or colleges are to be preferred to schools in which the sexes are segregated. The debate was carried on in a serious style. The manner of debate giving the audience opportunity to consider the points made by both sides. The co-educational preference was the choice of the judges.

At the Tuesday meeting, two selections were given by the high school orchestra and an educational film was shown showing the benefit of good salesmanship.

At the business meeting the chairman of the cafeteria committee reported that the patronage by pupils was very satisfactory this winter.

STUDEBAKER TRIUMPHS AGAIN

IN GILMORE-GRAND CANYON RUN

Studebaker's three great cars...

President, Commander and Champion awarded two firsts and a second in gas economy test

All Studebakers were equipped with extra-cost overdrive

THIS year, for the fourth straight year Studebaker has made gas economy history in the famous Gilmore Run.

The Studebaker Champion, which won a first last year, made the remarkable average of 24.61 miles per gallon for the top mileage of Studebaker's sensational trio of cars—all three traveling 599.3 grueling miles at an average speed of better than 42 miles per hour. The Studebaker President and Commander scored firsts in gas economy over all cars in their divisions—upholding Studebaker's decisive domination in gas economy in those price fields.

See and drive a Studebaker before you decide on any 1941 car. The big, roomy, beautiful Studebaker Champion is the lowest-priced 6 cylinder sedan in America. Easy C.I.T. terms.

TOOTING OUR OWN HORN

There is one instance at least in which Warren has a perfect right, both figuratively and literally, to toot its own horn. That is in praise of the Warren High School Band and its accomplishments over a brief period of years.

Those of us who remember the band back in 1932 will recall about twenty-five youngsters starting "from scratch" and it was a sort of "catch as catch can" struggle between the students, the director, and an assemblage of clarinets, saxophones, trumpets, trombones, drums, and finally a French horn and a tuba appearing on the scene.

Few citizens realize that the \$900 invested by the School Board in the original instruments has long since been repaid by the moderate rental charge which was paid by students learning to play. And the band members continue to pay their way in the purchase of instruments and uniforms, by rental of the instruments bought by the school board and by public concerts, and other activities. It is a far cry from the rather uncertain tones of the first concert some years ago to the vigorous, clear, coordinated playing of the Dragon Band of sixty-five pieces and the closely rivaling accomplishment of the second band of fifty pieces and the constant improvement of the third band of thirty-five pieces, which comprise the groups today.

And incidentally these young people have become acquainted with the world's best music in the works of Bach, Brahms, Beethoven, Wagner, Tchaikovsky, with the ever popular Sousa, Stephen Foster, Dudley Buck, as well as the current compositions of David Bennett and others.

All this is by way of tribute to Harry Summers, the director, and his students and their reputation, which make it Warren's privilege to have later this week the meeting of the Northwestern District Pennsylvania State School Music Association, which for the first time in Warren will have a three-day district band festival here. One hundred twenty high school musicians selected from twenty different schools in Warren, Crawford, Venango, Erie and Forest counties will assemble Thursday morning, and after two days rehearsal under the baton of the guest director, Walter Beeler of Ithaca College, will give two public performances on Friday and Saturday evenings. This district festival will determine which students shall participate with those selected from the other seven districts in Pennsylvania for the All State High School Band Festival to be held at a later date.

We think this is a great idea, we take pride in our own musicians, we are glad to see the cooperation of the School Board and the activities of the School Music Boosters Club. We commend this particular event for a hearty welcome to our young visitors by every citizen of Warren.

GIVING THE BOYS A BREAK

All kinds of allowances and exemptions are being made these days in favor of the men who are inducted into the military service, and that is as it should be. A man lifted out of the ordinary course of his life for a year or more in training camp gives up more than most of us are asked to give. Everything that can be done to make the dislocation as small as possible should be done.

Fifteen states have already, for instance, followed the precedent of Indiana in arranging to recognize the out-of-state status of soldiers who have been sent from other states. Certainly to send a man to camp in a far state and then compel him to buy a new auto license tag when he gets there if he or his wife take the car by car along, is unreasonable. Some states, which do not have large camps with many out-of-state men in them, are not faced with this problem. But those that are would be doing a good job if, by even plan or by reciprocity, they did not, they lifted this additional burden.

Congress is a Little Self-Conscious

YOUR NATION'S CAPITOL

By Bruce Catton

The Times-Mirror Washington Correspondent

Washington, Jan. 22.—America's manpower is in poorer physical shape today than in 1917-18. If preliminary figures on army applications rejected because of the applicant's physical defects can be relied upon.

In the last war, between 20 and 25 per cent of the first 3,000,000 men called up in the draft were rejected for physical defects. Comparison with today's draftees is not yet possible, since not enough men have yet been called to service. Only about 20,000 drafted men have been "processed" by the various induction boards. The only comparison available comes from a study of the army's figures on voluntary enlistments.

Latest tabulations cover enlistments for the first six months of 1940. These show that 32 per cent of all the men who sought to enlist in that period were rejected. Some were turned down for other than physical reasons—married men aren't accepted, for instance, or men with criminal records—but in the main the rejections were of men not physically fit for service.

Army authorities are extremely loath to admit that a comparison between 1918 draftees and 1940 enlistments may properly be made. They prefer to wait until the medical records of at least 200,000 draftees are at hand before trying to make any comparisons, and do not expect to draw any conclusions before some time next spring.

Other Offices Worried, Too. Nevertheless, it is true that the physical standards applied to drafted men in 1917-18 are practically on a level with those applied today, both for voluntary enlistments and for men called under the selective service act.

It is also true that other branches of the government which have

had a look at the current enlistment rejection figures are badly worried about the situation. Among these is the Farm Security Administration, which independently is making extensive studies of health conditions in rural areas from which the percentage of enlistments in proportion to total population is about twice as heavy as from urban localities.

FSA officials suspect a great many of the physical defects which are showing up both in the army figures and in FSA's own studies are due to poverty—to malnutrition, and to the fact that many Americans are growing up without getting any medical care whatever.

Health surveys made in two "sample" southern counties in co-operation with state health boards, FSA officials say, showed 575 low-income persons studied had a net total of 1373 serious physical ailments, including things like infected tonsils, seriously defective vision and bad teeth which could have been corrected if medical care had been available.

McNutt to Study Problem. The whole problem is coming in for serious study by the office of Federal Security Administrator Paul V. McNutt, recently named co-ordinator of health and recreation under the defense program. One reason why non-defense items in the current budget were not slashed more heavily is the fact that the administration came to believe that the health picture among low-income groups. Original plans called for much heavier cuts than those finally made in appropriations for such activities as WPA, administration of the stamp plan, and so on. The seriousness of the situation was made graphic by the 32 per cent

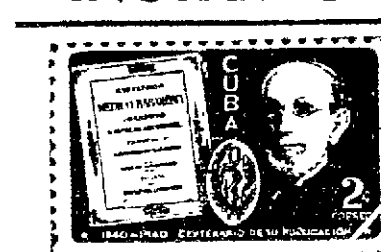

rejections in the army's enlistment drive. This, together with other studies such as those made by FSA, convinced New Dealers that continuance of these various "social services" is vital to national defense.

STORIES IN STAMPS

Cuban Medico Enters Philately's Gallery

CUBA'S unusual philatelic item above does double duty in commemorating the centenary of the island's first medical journal and honoring its founder, Dr. Jose Nicolas Gutierrez y Herandez. The design, released in two values, shows the cover of the journal, listing Dr. Gutierrez as director and Dr. Ramon Zambrana and Dr. Luiz Costales as editors. A portrait of Dr. Gutierrez is shown at right. The stamps are also available in a miniature sheet.

Dr. Gutierrez is a newcomer to philately. Although not internationally famous, he is remembered in Cuba for his work in developing the University of Havana and for his achievements in medicine during the 19th century.

Born in Havana, Dr. Gutierrez graduated in surgery from the university in 1821, became a teacher of anatomy. He founded his journal "Repertorio Medico-Habano" in 1840. He established the Academy of Science and the Museum of Natural History. In 1879 he became rector of Havana University.

A Washington Daybook

By JACK STINNETT

WASHINGTON — Foot-
notes for future his-
torians:

Opening wedge of what might be the political death of the "tux and black tie" at least at presidential electors' banquets—was hammered home by James H. Hammond, Columbia, S. C., lawyer and one of that state's electors.

Unhappy at the thought of going so formally informal, Mr. Hammond informed the committee that he would not attend in any such garb. In part, Mr. Hammond protested thus:

"As Prometheus from his rock, with the mallets prodding out his vitals, hangs my tux and tie. To the ambitious waiter, who never hopes to be the head, I relegate my tux and tie."

"Where has democracy gone in such stringent regulations as tux and tie? All of us have freedom! Democracy! Liberty! Freedom! and during the campaign there was no mention of tux and black tie."

"The every echo of our opponents still rings in our ears: 'Regimentation! Tux and tie! They were forewarned of tuxes and ties. Was there a fifth or fifteenth columnist in our ranks who betrayed to our enemy the advance plans of this banquet, where, all dressed up as 'chorus Johnnies,' we should be lined up in our tuxes and ties!'"

Under such a flood of indignation, the banquet committee would like a wing collar on a sultry night and the number of electors who followed Mr. Hammond's bold, but unstarred, front probably would have been described by Emily Post as "shocking."

Two For One

A LOT less frivolous in the matter of smashing precedents is what Sen. Tom Connally, smilingly described as West Virginia's apparent effort "to make two senators grow where only one grew before."

West Virginia is almost notorious in the matter of providing contests for Senate seats, but the boys thought up a brand new one this time.

Here's how it happened: Sen. Matthew M. Neely was elected Governor of West Virginia. He was to take office at noon, January 13. Outgoing Governor Homer Holt was to relinquish office when Governor Neely took over. Holt, who already had pulled a political fast one. He took the oath of office at midnight January 12 and a second later appointed Dr. Joseph Rosier, former president of the National Education Association, to succeed him as senator. Not to be outdone, Governor Holt, who already had appointed Clarence E. Martin, former president of the American Bar Association, to succeed Neely—not once, but in two proclamations—issued a third, dated "a moment after 12, midnight, January 13."

It's No. 6

FIVE times before in its history as a state, West Virginia has hatched up contests for seats, but Senator Connally's committee on privileges and elections admits that the sixth is the all-time noggin itcher. It's up to the committee to make a recommendation and then it's up to the Senate to seat whom it pleases. But what a problem!

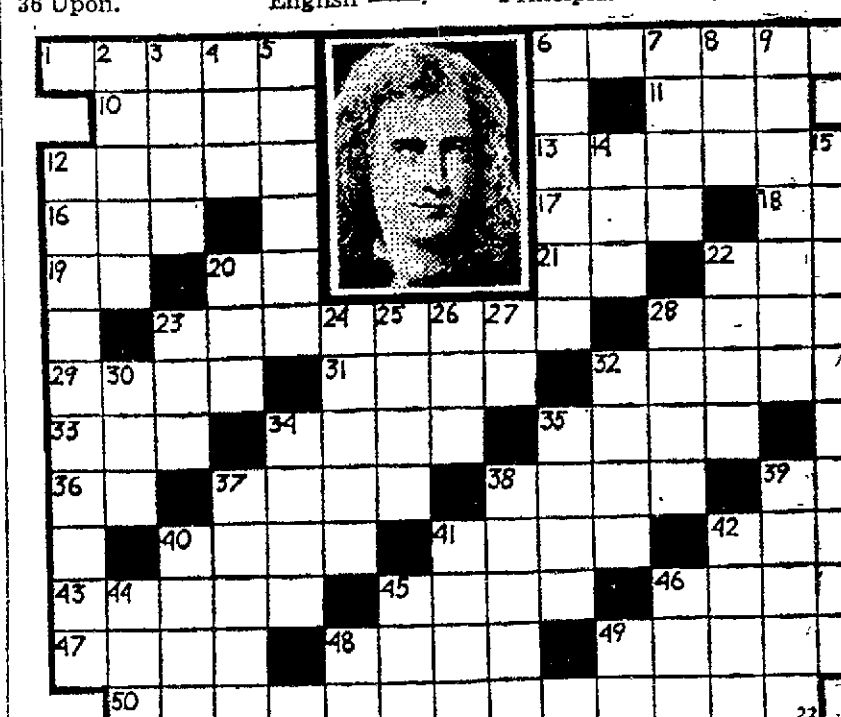

What gets me is that although Governor Neely and ex-Governor Holt are reportedly mad as hops at each other, their appointees, who undoubtedly are going to be most personally affected by outcome of the contest, are affectional, cronies and to all outward appearances are having the time of their lives.

They sit together on one of the divans at the back of the Senate chamber. They swap jokes and laugh over each new quip their situation gives rise to. No friend approaches one, but then he is introduced to the other. You would think they were that old team of Damon and Pythias.

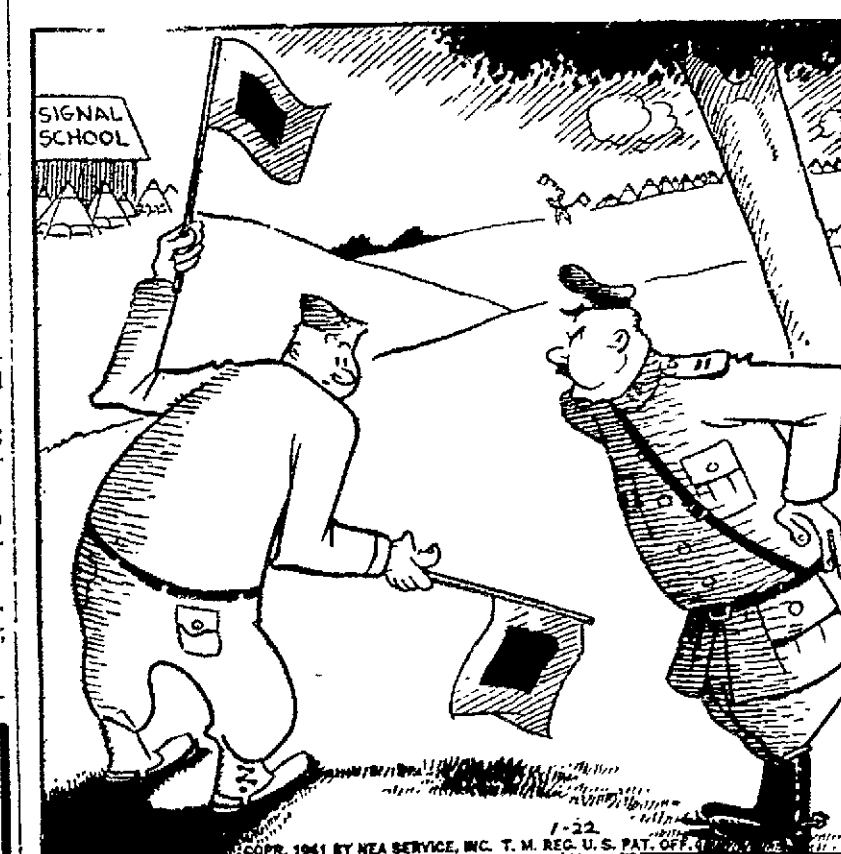

Whoever heard of such a screwy contest!

Host Director

Harry Summers director of the Warren High School Band which with the cooperation of the School Music Boosters' Club, is acting as host to the Northwestern District Pennsylvania School Music Association Band on Thursday, Friday and Saturday. Mr. Summers came here in 1930 and in the 10 years he has been in Warren, has been largely responsible for the growth of music activity in the public schools.

Welcome Is Extended to Nineteen Schools Participating in Festival

A sense of appreciation, as well as pride, prompts this statement from the Music Boosters Club. We are indebted to those many merchants and industries whose whole-hearted cooperation has made this announcement possible. We feel your contributions were not alone a matter of civic pride. You all know what a splendid musical program has been developed in Warren's schools. Much of the credit for the success achieved goes to Mr. Harry Summers, Musical Director of the Warren Public School system.

Likewise, we welcome you directors and members of the Musical Clubs from 19 visiting schools in northwestern Pennsylvania who are our guests for these three days. We hope you will enjoy your stay in Warren. We hope the associations in this friendly series of concerts will rekindle in your hearts a strong desire to continue your work along the sound lines on which it has been started.

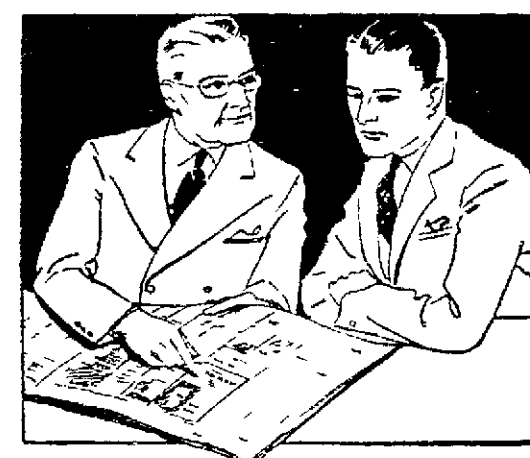

To representatives of the following schools we say sincerely: "The hearts and homes of Warren are open to you"—Albion High School, Cambridge Springs High School, Conneaut Lake High School, Corry High School, Cranberry High School, Erie East High School, Edinboro High School, Lawrence Park High School, McKean High School, Millcreek High School, Oil City High School, Rockdale Township High School, Saegertown High School, Sheffield High School, Springboro High School, Strong Vincent High School, Union City High School, Waterford High School and Youngsville High School.

Guest Conductor

Walter Beeler director of bands at Ithaca College Ithaca N. Y. who will act as guest conductor of the Northwestern District P. S. M. A. Band. In addition to his college duties Mr. Beeler is prominent in the affairs of New York state school music being a member of the executive committee of the New York State School Music Association a regional and state contest judge and this year served as director of the New York state and Buff. also Clinic bands. He was soloist with the famous Patrick Conway Band the Karl King Concert Band and other fine organizations.

"Their advice did a lot for me"

FROM our years of experience working with individual borrowers, we know that pleased customers are our most valuable asset. We do our best conscientiously to help—whether it's money that's needed, or merely sound advice. We don't urge a loan UNLESS it's advisable. Should you encounter a money problem, see us.

Burgess Steber Endorses Musical Activities Being Conducted Here

Citizens of Warren:

These pages are complimentary to the Warren High School Band who will have as their guests for the next three days the Northwestern District Pennsylvania School Music Association. I have been asked if I cared to make any remarks. I certainly do.

It is a matter of deepest concern to the fathers and mothers of Warren and to the future of Warren as a city, that we should have such an organization in our schools. Harry Summers has started from scratch and has, by sheer ability and untiring zeal, built up a band and orchestra of which all Warren may well be proud.

But even more important than the organization is what he has built into the minds and lives of the young people—a knowledge and appreciation of good music which will always be to each of them a priceless possession and one, no matter what life's fortunes, never to be lost.

Congratulations to them and to Harry Summers. Perhaps, most of all, congratulations to the people of Warren.

Pennsylvania School Music Group
Promotes Interest in Education

The Pennsylvania School Music Association is an organization of school music teachers, supervisors, directors, and other instructors, certified to teach music in the public schools and higher institutions of learning in the Commonwealth of Pennsylvania.

The organization's purpose is to promote worthy interest in school music, advance the recognition of school music education, and urge maximum cooperation with school music and school musicians.

The Association works in full cooperation with the State Department of Public Instruction. Eight different districts are carrying out the ideals of P. S. M. A. to every school in the state.

Each year the P. S. M. A. presents an all-state band, orchestra and chorus, whose members are selected from the fine district organizations which are held annually in each district. Each organization is under the competent direction of a well known and famous conductor.

Some of the results of P. S. M. A. are:

1. Student performers have been under inspiring leadership of great conductors. Visits to other schools, with the accompanying opportunity of meeting the fine type of music student, have provided a social experience that is treasured throughout the life of the student.

2. Standards of performance have been raised for the schools participating.

3. Teachers have the opportunity to observe and direct ideal groups in rehearsal and concert, and to meet their associates in round table discussion conducted by nationally known educators.

4. Most important—the main objective is being realized, "Music is improving in Pennsylvania".

State officers of P. S. M. A. are: President—James Dunlop, Emporium.

Vice President—David Rees, Sharon.

Secretary—Treasurer—Harold Buchheit, Emporium.

Editor of P. S. M. A. News—Paul B. Mechlin, Indiana.

BIG ENTRY LIST IN POULTRY AND PET SHOW HERE

With all birds, rabbits and other stock in their respective corps, the Warren County Poultry and Pet Show Association has opened a very fine show in the former Greenbush Furniture building, 308 Pennsylvania avenue, west.
The largest class in the poultry section is a beautiful display of both Light and Dark Brahmas. Rhode Island Reds and Plymouth Rocks are well represented, too, and there are smaller showings of many other breeds. George Todd has entered a fine exhibit of Silver Leghorns, a variety not often shown in Warren.
In the rabbit division New Zealand Whites are largest in number. Ray Warren is displaying a new variety to most fanciers, the Champagne DeArgent, a French breed.
A great horned owl entered by Dan Gebhart is attracting much attention. This bird, a seldom seen specimen in this section, was

captured in a trap after he had made several raids on Mr. Gebhart's flock of geese.
Visitors to the show are praising the fine display of dairy products set up by the Dyke Dairy. Here one will find everything put out by an up-to-date milk plant, from the milk can to the baby's bottle.
L. L. Leith, Library, Pa., is acting as judge of poultry this year and awards in the rabbit section are being placed by S. E. Drake, of Jamestown, N. Y.
Beginning Friday noon and continuing through Saturday the annual dog show will be a feature. There will be classes for every breed and prizes for every class, including special prizes and an award for the best dog of the show. Ringside judging will take place Friday afternoon with F. R. Newton, of Salamanca, N. Y., awarding the ribbons. Entry blanks may be obtained at the show. The fee is 50 cents per dog or \$1 for female with litter. Watchmen will be on duty for the care and safety of all dogs during their two-day stay at the show. Judges awards for poultry and rabbits were announced this morning. They are as follows:

Magic Spring

YESTERDAY: It looks as if Ardendale may get the services of young Dr. Warren McNeill, and several people are glad. David Wiley hopes the doctor can help with his bankrupt old inn and its mineral water swimming pool. Polly Jenkins, David's fiancée, hopes McNeill will interest Margo Powers, and Margo, who has decided to take David away from Polly, is glad to have still another attractive young man about town.

Chapter 20

Swimming Party

DAVID and Polly went to say goodbye to Margo and her father.

Warren McNeill did not go with them.

He stayed where he was, doing a lot of thinking. Polly Jenkins—sweet little thing. Now there, he told himself, was the sort of girl a doctor ought to marry. Small, but strong. Pretty, but possessed of good common sense. Taking care of her aunt, and working as a cashier in a moving picture theatre. Plucky, that's what she was.

Margo saw him standing alone, and came over to him.

"Why that faraway look?" she asked.

"I was thinking," said Warren.

"What about—or is it a professional secret?"

"No, it's no secret, Margo. I was thinking about doctors and their wives—about settling here in Ardendale—about a lot of things."

"Did you really settle here?" said Margo—watching him.

"Yes. Why not?" said Warren.

"I like the people I've met, especially your friends David and Polly. They've got character; they are made of the same sort of stuff that made our ancestors what they were. Margo, yours mine, David's and Polly's. The country can't go to pot altogether, as long as there are people like David and Polly in it."

"I see," said Margo, not really seeing at all. When Warren got into a serious mood like this, he was almost like a stranger to her.

"They do seem to have made a hit with you." She took his arm.

"Come on, there are some more people I want you to meet."

Warren smiled down into the lovely eyes.

"Did I ever tell you that you're beautiful, Margo?" he said.

"Once or twice."

"Kind if I repeat?"

"Certainly not. A girl never tires of hearing things like that."

"All right—you're beautiful," said Warren. "And I could do with another cup of tea."

Plans

WEDNESDAY afternoon, a magnificent sunset, and four attractive people diving and swimming in the pool out at Freddy's.

Doctor Warren McNeill, slender, splendidly built, and looking extraordinarily youthful in his brief swimming trunks; Margo, in a suit which was perhaps a little too revealing, a bit too sophisticated for the Frederick James Wiley's unfulfilled dream; David, in a pair of trunks that were faded and darned, but which did not make him appear any less handsome; and Polly, last and not least in size though not in importance, wearing a brightly flowered bathing suit that had a tricky little skirt which made her look like a baller dancer.

Laughter, jokes—and everybody by now using first names!

"I'm getting hungry!" David called out from the pool.

"So'm I!" said Warren.

"All right," said Polly. "Margo and I will go dress. Then we'll unpack the baskets while you two boys get into your clothes."

"Boys?" laughed Warren. "Polly, you make me feel like something just out of high school."

"And you look like something just out of high school," said Margo.

"What, with all these gray hairs?"

"Oh, they're premature," said Polly. "Anyone can tell that."

"Boy, is my ego swelling!" said Warren.

"I've already started a fire in the outdoor oven," David said.

"I'll get the coffee started as soon as Warren and I have one more swim."

Polly and Margo ran across the grounds to the inn.

And while they were dressing in the inn parlor, Warren and David swam the length of the pool a number of times. Then they swung themselves up to the pool's side, and sat there smoking.

"You've got a beautiful layout here, David," Warren said.

"I think so?" David said.

"Thanks. I'm inclined to agree with you, although the place has been a white elephant on the family's hands for a number of years."

"Something ought to be done about it."

"Yes, that's what I think."

"Attractive location, well-built house—this pool. A lot to work with."

"Right!" said David.

Then almost before he realized it, he was telling Warren McNeill about those wishful thinking things he had dreamed over upon his front porch.

Warren listened, interested.

"Do you know," he said when David had finished, "if I had the money, I'd join up with you, and make the inn just what you described."

"You mean you don't think me a bit touched in the head to have had dreams about the place?"

David.

"Certainly I don't think any such thing," Warren assured him. "Good! That's great. I don't often find anyone who so rapidly agrees with me."

"The whole idea appeals to me no end," Warren went on. "But money! That's the drawback. It usually is, where a doctor is concerned."

"Well, don't think the doctors have a corner on that particular problem," David said. "They haven't."

Warren didn't seem to hear. He went on talking.

"I've got a few thousand dollars my grandfather left me," he was saying. "He was a doctor, and he wanted me to learn all the new-fangled stunts he thought the doctor of today had to know. I spent quite a sum traveling around Europe, looking into different branches of the medical profession—and now there's not an awful lot left of my inheritance."

"And you'd better hold on to it," David advised.

"I don't know about that," said Warren. "Anyway, I'm planning to use it to buy out some aging doctor's practice in a growing town—a place like Ardendale."

"But what about those offers from hospitals you mentioned?"

"They'll have to wait a little while. I'm not keen about being shut up between a lot of cold, white walls."

"I reckon hospital work is pretty confining," said David.

"It is," Warren said. "I think I'd much rather work in a town where I can get about more."

"Then why not buy out our Doctor Ben's practice?" David asked. "He's been talking about retiring for the past five years. You could settle down here, and maybe, if I keep on working at the lumber plant, the two of us could manage to raise the money to put Freddy's Polly on the map."

"Darned if that's not a good idea, David!" Warren said. "I'll have a talk with this Doctor Ben."

"Fine! I'll take you to see him tomorrow. How about it?"

"The sooner the better," said Warren. "I've got some pretty good credentials, even if I do say so, as shouldnt."

"And about Peter," said David. "I can't thank you enough for giving him that thorough going-over."

"I'm only sorry I couldn't tell you something about it."

Warren replied. "I can tell you this, however—the boy's got guts, if you'll pardon the expression. His courage and hope will do him a lot of good."

Magic Spring

"THANKS," said David. "I think he's a pretty swell kid, myself. And I do feel that the leg's improving. It's sun-tanned and tougher-looking, even if it isn't a great deal stronger."

"What did you do with the boy tonight?" Warren asked.

"I thought he might come along with us."

"He's home, reading," said David. "I brought him a new book from the library. Funny little tike, in some ways. He doesn't seem to mind being left alone—self-sufficient, you know. He says he got used to being alone when he lived with his dad, who, from all I can gather, had all sorts of strange jobs; never keeping any one of them very long."

Warren tossed away his half-smoked cigarette.

"I think I shall prolong my stay here, Ardendale," he said, "and look the place over thoroughly."

He got up, and with his legs wide apart, looking up at the inn. "What a setup for a sanatorium! I certainly would like to swing it."

"So would I," said David. "If we could truthfully advertise the spring water as having a magic touch, as Polly expressed it, we ought to draw quite a patronage."

"And if we could prove that the water is beneficial to people like your small cousin, we could do wonders!" said Warren.

David also arose. He stood beside Warren.

"I would give a lot," he said, "to see Peter walking like a normal boy."

"Well, there's nothing like trying to make a dream come true, is there?" said Warren. "I think I'll take a sample of the spring water and have it thoroughly analyzed."

Polly appeared upon the porch.

"Stop standing there staring!" she called. "Go get dressed. The supper will be ready in no time. She came down to them. 'Have you got the coffee started yet, David?'"

"No," said David. "Warren and I have been too busy talking."

"What about?" Polly asked.

"About making dreams come true," said Warren.

"Come on, Warren," David said. "Let's go stir up the fire, and put the pot on."

They hurried around the end of the inn, and back to the brick oven which had been built in the rear yard.

Polly picked up the two baskets which she and Margo had packed, and followed them.

Soon after David and Warren had gone in to dress, Margo came out. She helped Polly spread a tablecloth underneath a gnarled apple tree.

"It's fun, isn't it, a party like this?" Polly said, as she went over to have a look at the coffee.

"Yes, it is," said Margo. "This back to nature stuff gives you an opportunity to really get to know a person."

"Meaning Warren?" said Polly.

"Yes," said Margo. "Meaning Warren."

SHEFFIELD MAN TO BE REUNITED WITH DAUGHTER

Sheffield, Jan. 22.—Vincent Marold Sr., is completing arrangements for the passage home from Europe of his daughter, Miss Ludemilior Marold, 20, who the past few years has been studying medicine at the University of Vienna.

Refused permission to continue her studies this fall and in December, ordered, along with other non-citizen students, out of Germany by the Nazi government, Miss Marold went to Ljubljana, Yugoslavia, to reside with an aunt. The laws of that country prohibit longer residence there for her, so she has planned to come home. She will go by air-line from Yugoslavia to Lisbon, Portugal and come from there to New York by ocean liner.

Mr. Marold, who has two other children, Frank, a student in the local high school, and Vincent Jr., a freshman at Penn State, said yesterday that his daughter plans to complete her course in medicine at the University of Pennsylvania.

ORGANIZE CHAPTER

Preliminary organization of a local chapter of the Red Cross took place at a meeting held last night in American Legion home.

Mrs. William Rawson conducted the meeting and during the session was elected chairman by the score of ladies present.

Another meeting to complete organization of the chapter has been scheduled for 8 o'clock Friday night, the meeting place to be announced.

PLAY THE CENTRALS

The Penn Bottles, defeated by the Boys' Club at St. Marys Monday night, return tonight to the Elk county town for a game with the St. Marys Centrals.

PERSONALS

A son, weighing 9 pounds, was born at 8:10 a. m. Tuesday to Mr. and Mrs. James Hall.

Paul Stanko underwent an appendectomy Monday night at the Warren General hospital.

Johnny Petrunie, Penn Bottle basketball, will be out of action a month as the result of an injury received in the Falls Creek game last week. He suffered a dislocated right shoulder in that contest, several ligaments being torn loose.

Mr. and Mrs. Sherman Kahle are the parents of a daughter, born to them at 7:39 a. m. Monday in the Kane Community hospital. The baby weighed 6 pounds, 8 ounces and has been named Linda Marie. The mother is the former Betty Edwards.

Routine affairs occupied the attention of members of Frank M. Glendening Post, American Legion, at the regular meeting held in the home Monday evening with Ruland Russ, commander, presiding.

Veteran Jurist To Retire From Supreme Court

(From Page One)

"I have the honor to advise you," McReynolds wrote, "that on the first day of February next I will avail myself of the rights, privileges and obligations declared in the act of congress entitled an act to provide the retirement of justices of the supreme court approved March 3, 1937 x x x and retire from regular active service on the bench as an associate justice of the supreme court."

"Continuously since 1914, I have held a commission as such justice and am now more than 70 years old."

McReynolds, the senior member of the court, disclosed to friends that nine years ago upon reaching 70 he had first contemplated resigning, and has at times yielded rather reluctantly to the urging of friends that he continue to serve.

Some associates said that he had resigned on the court in order to cast his vote against New Deal legislation that he considered unconstitutional and in the hope that another president than Mr. Roosevelt would appoint his successor.

Although a former Democratic attorney general under President Wilson, McReynolds had led his colleagues in disapproving of Roosevelt administration laws that came before the court.

The justice also has been the tribunal's leading dissenter, capturing the title when a majority of the court began to sustain most administration legislation in the term that began in October, 1936.

Record-Breaking Attendance At Farm Show

(From Page One)

Today's attendance was expected to follow the trend, mainly because of mild weather.

The 4-H Clubs staged a livestock parade in the arena where today they led Guernsey and Brown Swiss cattle before the judges, for ribbons, medals, and cups. These two divisions and the Herefords and Shorthorns were the last cattle to be judged in regular classes.

The 4-H members themselves were judged today for their progress at sizing up corn and potatoes. More than a half dozen counties entered three-man teams for the judging contests. Half hour vocational demonstrations continued throughout the day.

McReynolds, the senior member of the court, disclosed to friends that nine years ago upon reaching 70 he had first contemplated resigning, and has at times yielded rather reluctantly to the urging of friends that he continue to serve.

Some associates said that he had resigned on the court in order to cast his vote against New Deal legislation that he considered unconstitutional and in the hope that another president than Mr. Roosevelt would appoint his successor.

Although a former Democratic attorney general under President Wilson, McReynolds had led his colleagues in disapproving of Roosevelt administration laws that came before the court.

The justice also has been the tribunal's leading dissenter, capturing the title when a majority of the court began to sustain most administration legislation in the term that began in October, 1936.

GAY KIDNIE DRESS OR
SUNFROCK

Here's a clever, becoming style. Anne Adams has designed this pattern, Pattern 4693, in two versions. Both the dress and the sunfrock have front panels and skirt, and small "cupped" panels at the center bodice. The center bodice panel of the dress curves down to form one piece with the waistband— isn't it beguiling in contrast? The neckline is a high-cut, sweetheart shape that's especially pretty with ruffle trim. Make the ruffle edged play style by omitting the sleeves, sides and back of the bodice, cutting the front neck straight across and using crisp cross back straps that button at the waistband. Don't forget the pants included in the pattern!

Pattern 4693 is available in children's sizes 2, 4, 6, 8 and 10. Size 6, dress, takes 1½ yards 35 inch fabric and ¾ yard contrast sunfrock. Size 10, dress, takes 1½ yards 35 inch fabric and 1½ yards contrast.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

The new 1941 Pattern Book by Anne Adams is furnished. So let Mr. Mailman bring the world of fashion to your doorstep! This colorful book brims over with easy-to-stitch outfits for every age; every hour. It shows original, distinctive designs in suits, ensembles, sportswear, afternoon and evening frocks and home styles. It brings news of fabrics and accessories. A valuable book to keep at home for easy reference, and its low cost is fifteen cents. The Pattern is fifteen cents too, and the Book and Pattern together cost just twenty-five cents. Cast Is Announced For Coming Mystery Drama at St. Joseph's

The cast is announced today for the public production of "Before Morning", to be presented by the St. Joseph Players on February 6-7 in the school hall. Several newcomers, along with a number of experienced members, round out a cast well suited to portray the characters of this exciting mystery drama.

The newcomers include August Bova, Thomas Grace, Margaret Hughes, Anthony "Count" Guilfré and T. J. Scallie. For this group, "Before Morning" will be their first appearance on the public stage. Their talents have been confined thus far to studio presentations.

Others included in the play personnel are Mary Ruth Gerrety, Mac Corah and Victoria Nelson, all of whom appeared in the very successful production of last season, "Another Spring". Nancy Salerno and Charles Robinson, who were seen in last year's comedy hit "Here Comes Charlie", Ray Waigel and John Maleno, in "Girl Shy" last fall.

Rehearsals are under way, with Lewis Crotelli directing. The set has been erected and, with the lighting, properties, reserved seat and other committees working diligently, everything indicates another finished production for the playing public.

O. E. S. Drama Club Has Special Program

An unusually fine program was enjoyed last evening at the Masonic Temple by the Order of Eastern Star Drama Club members and invited guests.

The Warren High School string ensemble, under the direction of Harry Summers, presented a delightful half-hour of music.

Randall McCain, of the U. S. Forest Service, showed kodachrome slides of the Allegheny National Forest, a portion of the program that was greatly enjoyed.

At the close of the program, a social hour and lunch were enjoyed. The table was attractively appointed in shell pink, with small shells used as favors. A large centerpiece of various kinds of shells and tall pink candles gave a colorful effect. Mrs. J. Augustus Jones and Mrs. R. D. Smedley presided.

Acknowledgement of the evening's success was expressed to the co-chairmen, Mrs. Ethel Smedley and Mrs. Marjorie McCain, who planned it. They were assisted by Mrs. Alice Thompson, Mrs. Zora Kossley, Mrs. Josephine Lasharis, Mrs. Alta Burch, Mrs. Minnie Sonne, Mrs. Nettie Lemmon, Mrs. Mabel Smith and Mrs. J. Augustus Jones.

Youngville Wedding Of Interest Locally

Youngville, Jan. 22—A pretty wedding took place Friday at the home of Mrs. Lawrence Mourer, Fifth street, when Rev. C. D. Dibble, united in marriage Miss Mary Lou Chase and Harold Headstrand.

The bride is the daughter of Mr. and Mrs. Frank Chase, of Corry, and a sister of Mrs. Mourer. Mr. Headstrand is the son of Mr. and Mrs. Carl Headstrand, of Youngville.

A group of 16 near relatives attended the ceremony and the reception which followed. The newlyweds will reside at 118 Forest avenue, Jamestown, N. Y. Mr. Headstrand having employment with the Crescent Tool Company in that city.

The bride-elect was honored recently with a lovely shower party, also given at the Mourer home. Games were played and prizes were awarded to Miss Mary Hayes, of Warren; Mrs. Marjorie Mourer; Mrs. Helen Samuelson; and Mrs. Florence Mourer. A color photograph of yellow and pink was used in refreshment appointments.

JEFFERSON UNIT
The Jefferson P. T. A. met Monday evening with a fair attendance. Mrs. Earl Christensen led devotions and following a brief business meeting, Basil White reported on Scout conditions and activities. He made announcement of the jammer which is to be held in the near future and urged all persons interested in Scouting, and especially in Troop 4, to attend. It was also stated that the Jefferson street Brownie pack is to be revived.

It was voted that the group should investigate and endeavor to buy for the school a new nameograph. The meeting was then turned over to the program chairman, Mrs. Samuel Chestnut, who introduced the speaker, Miss Maryann Brugger. Miss Brugger gave a very informative and interesting talk on the program which is carried out by the Children's Aid Society, with which she is associated as social service worker.

A stunning evening costume for spring and summer nights includes an elaborately draped gown of white silk jersey with harem hemline and a voluminous, matching cape. The wide gold Gaucho belt matches the bag and the shoes with rocker soles. The turban is made of twisted ropes of the white jersey. Capes, rocker soles, harem hemlines and eye-catching belts are important news in the spring fashion picture.

Musical Notes

Jamestown Post—In an eleven night announcement last evening, members of the Jamestown Civic Music Association were informed of the postponement of the scheduled concert by Erica Morini. Officers of the association were extremely fortunate to be able to offer in her place the young American pianist, Jacques Abram, and the substitution was obviously more than satisfactory to the audience which, as usual, filled the high school auditorium to capacity.

Members of the senior and junior choirs of the First Lutheran church have planned to attend the concert to be given on Saturday evening at 8:30 o'clock in the Jamestown High School auditorium by the St. Olaf Choir of Northfield, Minn.

The concert is to be given under the auspices of the choir of the First Mission church in Jamestown, which is directed by Miss Ebba Goranson, well known here. Warren music lovers interested in tickets for the event may secure them at the local First Lutheran church office. It is announced today.

Also of interest here is another Jamestown concert, a joint recital to be given in the auditorium of the Unitarian church on Tuesday, January 28, by Margaret Stern Parker, pianist, and Robert Kinander, baritone. According to the Jamestown Post, Mr. Kinander is the head of the Jamestown Conservatory of Music and Mrs. Parker heads the piano department.

A member of the Philomel Club here, Mrs. Parker will play for its members a recital of piano music on Wednesday afternoon, January 29.

The Corry Journal is authority for announcement that five students from the high school in that city will participate in the district band concerts in Betty school here on Friday and Saturday evenings. Those taking part will be Ruth Nagel, Martha Hillburg, cornet; Mildred Davis, bassoon; Robert Stowe, baritone; Doris Bergman, trombone.

William D. Knowlton, instructor of instrumental music in the Corry school, plans to attend some of the sessions of the local three-day meet.

Blue Stocking Club At Blackman Home; Enjoy Travel Movies

Blue Stocking Club members were entertained Tuesday afternoon at the home of Mrs. Sidney D. Blackman, Jackson avenue, with Mrs. Vance Weld conducting the business session. Detailed reports were given by the assistant secretary, Miss Ethel Morris, and the treasurer, Miss Mabel Abbott.

Mrs. Brackett Ayers presented several interesting current events and, through the courtesy of George Calderwood, William I. Walker showed colored moving pictures of the trip taken early last summer by the Calderwoods to Alaska, Jasper Lake and through the Canadian Rockies.

Mrs. Calderwood commented on various scenes and incidents connected with their taking, making this part of the afternoon's program particularly attractive. The members greatly appreciated the opportunity of viewing these very pleasing glimpses of the Calderwood travels.

Delicious refreshments were served by the hostess, with two guests, Mrs. W. E. Yeager and Mrs. S. W. Blackman, presiding at an attractive tea table.

The next meeting of the club will be held February 4, with Mrs. Alexander C. Flick, Jr., and Mrs. Lucille Wade Williams as hostesses.

Dragons Run Up Biggest Score Of Season To Trample Jays

Harry Conroy Leads Way In 49-35 Rout; Owls Massacre Kane

Running up the highest score yet this season, Coach Heinie Kolpien's Dragons drubbed the Blue Jays at Beatty Court last night, 49-35.

After the first half, when the Dragons were ahead by five points, there wasn't much to the battle, the locals winning about as they pleased.

Harry "Jap" Conroy again led the way and chalked up 17 points in the massacre, with Dick Tucker right on his heels with 13. Gail Templeton and Cliff Graham, playing their last home game in blue and white livery, accounted for seven and eleven, respectively, and Chuck Hofferer added a foul point to the total.

The highly-touted Frank Gigliotti was limited to three field goals scored early in the first half, by Tucker, and Franczak took over the scoring leadership for Johnsonburg with 11.

The victory kept the Dragons in second place, a game behind the Bradford Owls, who were trampling Kane on the Bradford court by a score of 42-12. The Wolves managed to collect two field goals during the encounter and were held scoreless for 15 minutes by the league leaders.

As matter of fact, the locals are now alone in second position, for St. Marys pulled a surprise victory on their home court to take over Emporium, 47-41.

Sheffield gave Ridgway a good battle before losing out, 27-25, as the Elks registered their first league decision.

The Johnnies started out as though they meant business. Grumley and Gigliotti scored from the field, but Conroy and Tucker counted from the foul line. Krosh scored a foul and Grumley cut underneath for a bucket to bring the score to 7-2. Tucker, Graham and "Jap" then scored in rapid succession to put the locals a point in the van, but Gigliotti dropped one in the center of the floor and the Jays were out in front by the same margin. Just before the quarter closed, the Dragons took the lead for good as Conroy dribbled in and scored a lay-up.

Tucker and Conroy counted four while Zelschold got a foul and Gigliotti's last basket for Johnsonburg, and after Franczak had scored from the foul line, Graham duplicated and again Tucker and Conroy hit the hoop for two-pointers, with Cliff following up. A pair of fouls for the Johnnies preceded another basket for Tucker and Franczak scored a double-pointer to leave the score 23-18 at halftime.

Graham and Kay made fouls to start the second half, and then things began to happen. Conroy took a pass from out of bounds and registered two points. Tem-

BUCK NEWSOM IS HIGHEST PAID OF ALL HURLERS

Detroit, Jan. 22.—(P)—Your voluble old pal Louie (Buck) Newsom, who pitches baseball for the Detroit Tigers, now seems to have the authority for his biggest boast of all, and Buck has to keep silent.

Reliable sources disclosed today that Newsom—not Bob Feller of the Cleveland Indians—has become the highest paid twirler in the game's history at a salary in excess of \$30,000. Buck will draw pay checks for that tidy sum for the 1941 season.

In keeping with an unwritten law of the Tigers that salaries are never mentioned publicly, Newsom won't say a word. It was established, however, that Buck will draw a fancier salary than that to be paid Feller, whom the Indians signed yesterday for a reported \$30,000.

Winner of 13 straight games and a World Series star, Newsom in 1940 ended his finest season in a long career in the big leagues. He won 21 and lost five during the regular season and, in pitching 264 innings, was surpassed only by Feller, John Rigney of the White Sox, and Dutch Leonard, of Washington.

There were plenty of highlights to last night's ball game, but from our vantage point the job that "Red" Tucker did on the greatly feared Frank Gigliotti was the brightest. To begin with, husky Richard outscored the Johnsonburg flash, caging five field goals to three for his opponent. Each of Gigliotti's trio was tough to get, one being in a tap-in after a melee under the basket, another being from the center of the floor and the third a circus shot without looking. Not once during the evening was the tall Johnsonburg lad able to set himself for a fling at the hoop. Gail Templeton and Cliff Graham were playing for a fling at the hoop. KRIBB IS NAMED NEW MENTOR AT YOUNGSHIRE HI

At a special meeting of the Youngsville board of education, Benton Kribb, coach and athletic director at Rimersburg High School, was elected to succeed Tord Beck, who has held a similar position at Youngsville since last fall.

Coach Beck, who went to Youngsville after the resignation of Clyde E. Moore, has accepted a position at Hicksville, Long Island, and will leave for there as soon as his successor can come to Youngsville.

The new Eagle athletic director is a graduate of Carlton State Teachers College and took graduate work at Penn State.

Beck's football season was a successful one and his Red and White eagles have made a nice start in the year's campaign.

CHAPMAN GLAD TO RETURN TO NATS

Montgomery, Ala. Jan. 22.—(P)—Eye irritations cured, Ben Chapman is still convinced he still is a 300-hitter and a coach for a coming season under "the best owner-manager combination in baseball."

What's more, he's happy and ready to go. The erstwhile hold-out and problem boy already has signed his 1941 contract, and he "took a cut because I had a bad year and figure I was due it."

His batting average slumped to .255 at Cleveland last season and the Indians traded him to Washington during the winter.

"I'm tickled, really, that I'm going back to Washington. Bucky Harris is the best manager in the game. He and Clark Griffith make the best owner-manager combination in baseball."

SHEFFIELD HIGH SOLE OCCUPANT OF LAST PLACE

Sheffield, Jan. 22.—The Wolverines became sole occupants of the North League cellar when they were conquered by the Ridgway Hi Elks in a closely contested battle here last night, 27 to 25.

Sheffield twice gained the lead and the score was knotted numerous times, the last at 24-24 with less than 4 minutes to play, but in the final minutes, Capt. Barilla of the visitors came through with a field goal and a foul to give his team the decision and its first league victory of the season. It was the fourth straight reverse in league play for the Wolverines.

The Wolverines Cubs bowed to Ridgway's Jayvies in the prelim, 21 to 13.

SECONDS DUPLICATE VARSITY VICTORY

In a preliminary which didn't quite compare with the varsity game in scoring, the Dragon Seconds disposed of the Blue Jay Varsity, 27-15.

Don Sharp and Dean Nelson, with eight points apiece, let the procession for the locals.

The count was deadlocked at the end of the first quarter, but the locals blanked the Jays in the second period and coasted in from there.

ZIVIC FRACTURED HAND IN LAST GO

Pittsburgh, Jan. 22.—(P)—A slight fracture of the left hand will delay about a week the departure of Walterweight Champion Fritz Zivic for the sunny Southland.

Zivic received the injury in successfully defending his title against Henry Armstrong, the former champion, last Friday night. After a week's rest and treatment, Zivic and his family will leave for a vacation in Miami.

GAY KIDDEE DRESS OR SUNFROCK

Here's a clever two-timing style. Anne Adams has designed this pliant mode, Pattern 4693, in two versions. Both the dress and the sunfrocks have front panel skirts, and smart "upped" waist seams. The center bodice panel of the dress curves down to form one piece with the waistband— isn't it beguiling in contrast? The neckline is in a high-cut, sweetheart shape that's especially pretty with ruffle trim. Make the ruffled edged play style by omitting the sleeves, sides and back of the bodice, cutting the front neck straight across and using crisp cross back straps that button at the waistband. Don't forget the panties included in the pattern!

Pattern 4693 is available in children's sizes 2, 4, 6, 8 and 10. Size 6 dress, takes 1 1/2 yards 35 inch fabric and 3/4 yard contrast; sunfrocks, 1 1/2 yards 35 inch fabric and 1 1/4 yards ric-rac.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly: NAME, ADDRESS AND STYLE NUMBER.

The new 1941 Pattern Book by Anne Adams is furnished. So let Mr. Mailman bring the world of fashion to your doorstep! This colorful book brims over with easy-to-stitch outfits for every age; every hour. It shows original, distinctive designs in suits, ensembles, sportswear, afternoon and evening frocks and home styles. It brings news of fabrics and accessories. Cast Is Announced For Coming Mystery Drama at St. Joseph's

The cast is announced today for the public production of "Before Morning", to be presented by the St. Joseph Players on February 6-7 in the school hall. Several newcomers, along with a number of experienced members, round out a cast well suited to portray the characters of this exciting mystery drama.

The newcomers include August Bova, Thomas Grace, Margaret Hughes, Anthony "Count" Guffre and T. J. Seals. For this group, "Before Morning" will be their first appearance on the public stage. Their talents have been confined thus far to studio presentations.

Others included in the play personnel are Mary Ruth Gerrity, Mac Corah and Victoria Nelson, all of whom appeared in the very successful production of last season, "Another Spring". Nancy Salerno and Charles Robinson, who were seen in last year's comedy hit "Here Comes Charlie", Ray Weigel and John Maleno, in "Girl Shy" last fall.

Rehearsals are under way, with Lewis Cretell directing. The set has been erected and with the lighting, properties, reserved seat and other committees working diligently, everything indicates another finished production for the play-going public.

O. E. S. Drama Club Has Special Program

An unusually fine program was enjoyed last evening at the Masonic Temple by the Order of Eastern Star Drama Club members and invited guests.

The Warren High School string ensemble, under the direction of Harry Summers, presented a delightful half-hour of music.

Randall McCain, of the U. S. Forest Service, showed kodachrome slides of the Allegheny National Park, a portion of the program that was greatly enjoyed.

At the close of the program, a social hour and lunch were enjoyed. The table was attractively appointed in shell pink, with small shells used as favors. A large centerpiece of various kinds of shells and tall pink candles gave a colorful effect.

Mrs. J. Augustus Jones and Mrs. B. D. Smedley presided. Acknowledgement of the evening's success was expressed to the co-chairmen, Mrs. Ethel Smedley and Mrs. Marjorie McCain, who planned it. They were assisted by Mrs. Alice Thompson, Mrs. Zora Koebler, Mrs. Josephine Laskaris, Mrs. Alta Burch, Mrs. Minnie Somme, Mrs. Nettie Lammon, Mrs. Mabel Smith and Mrs. J. Augustus Jones.

Youngsville Wedding Of Interest Locally

JEFFERSON UNIT

The Jefferson P. T. A. met Monday evening with a fair attendance. Mrs. Earl Christensen led devotions and following a brief business meeting, Basil White reported on Scout conditions and activities. He made announcement of the jamboree which is to be held in the near future and urged all persons interested in Scouting, and especially in Troop 4, to attend. It was also stated that the Jefferson street Brownie pack is to be revived.

It was voted that the group should investigate and endeavor to buy for the school a new mimeograph.

The meeting was then turned over to the program chairman, Mrs. Samuel Chestnutt, who introduced the speaker, Miss Mary Ann Brugger. Miss Brugger gave a very informative and interesting talk on the program which is carried out by the Children's Aid Society, with which she is associated as social service worker.

Musical Notes

Jamestown Post—In an eleventh hour announcement last evening, members of the Jamestown Civic Music Association were informed of the postponement of the scheduled concert by Erica Morini. Officers of the association were extremely fortunate to be able to offer in her place the young American pianist, Jacques Abram, and the substitution was obviously more than satisfactory to the audience which, as usual, filled the high school auditorium to capacity.

Members of the senior and junior choirs of the First Lutheran church have planned to attend the concert to be given on Saturday evening at 8:30 o'clock in the Jamestown High School auditorium by the St. Olaf Choir of Northfield, Minn.

The concert is to be given under the auspices of the choir of the First Mission church in Jamestown, which is directed by Miss Ebba Goranson, well known here. Warren music lovers interested in tickets for the event may secure them at the local First Lutheran church office, it is announced today.

Also of interest here is another Jamestown concert, a joint recital to be given in the auditorium of the Unitarian church on Tuesday, January 28, by Margaret Stern Parker, pianist, and Robert Kinander, harpist. According to plans for a dessert-card party to be held on Friday, January 31, and for a pancake supper for Saturday evening, February 1. The public will be invited to both of these events.

Blue Stocking Club At Blackman Home; Enjoy Travel Movies

Blue Stocking Club members were entertained Tuesday afternoon at the home of Mrs. Sidney D. Blackman, Jackson avenue, with Mrs. Vance Weld conducting the business session. Detailed reports were given by the assistant secretary, Miss Ethel Morris, and the treasurer, Miss Mabel Abbott.

Mrs. Brackett Ayers presented several interesting current events and, through the courtesy of George Calderwood, William L. Walker showed colored moving pictures of the trip taken early last summer by the Calderwoods to Alaska, Jasper Lake and through the Canadian Rockies.

Mrs. Calderwood commented on various scenes and incidents connected with their taking, making this part of the afternoon's program particularly attractive. The members greatly appreciated the opportunity of viewing these very pleasing glimpses of the Calderwood travels.

Delicious refreshments were served by the hostess, with two guests, Mrs. W. E. Yeager and Mrs. S. W. Blackman, presiding at an attractive tea table.

The next meeting of the club will be held February 4, with Mrs. Alexander C. Flick, Jr., and Mrs. Lucille Wade Williams as hostesses.

Dragons Run Up Biggest Score Of Season To Trample Jays

Harry Conroy Leads Way In 49-35 Rout; Owls Massacre Kane

BUCK NEWSOM IS HIGHEST PAID OF ALL HURLERS

Running up the highest score yet this season, Coach Heinie Kolpien's Dragons drubbed the day-lights out of Johnsonburg's Blue Jays at Beatty Court last night, 49-35.

After the first half, when the Dragons were ahead by five points, there wasn't much to the battle, the locals winning about as they pleased.

Harry "Jap" Conroy again led the way and chalked up 17 points in the massacre, with Dick Tucker right on his heels with 13. Gail Templeton and Cliff Graham, playing their last home game in blue and white levi, accounted for seven and eleven, respectively, and Chuck Hoffecker added a four point to the total.

The highly-touted Frank Gigliotti was limited to three field goals scored early in the first half, by Tucker, and Franczak took over the scoring leadership for Johnsonburg with 11.

The victory kept the Dragons in second place, a game behind the Bradford Owls, who were trampling Kane on the Bradford court by a score of 42-12. The Wolves managed to collect two field goals during the encounter and were held scoreless for 15 minutes by the league leaders.

Referee: Gabby Hoffman, St. Marys

Detroit, Jan. 22.—(P)—Your voluble old pal Louie (Buck) Newsom, who pitches baseball for the Detroit Tigers, now seems to have the authority for his biggest boast of all, and Buck has to keep silent.

Reliable sources disclosed today that Newsom—not Bob Feller of the Cleveland Indians—has become the highest paid twirler in the game's history at a salary in excess of \$30,000. Buck will draw pay checks for that tidy sum for the 1941 season.

In keeping with an unwritten law of the Tigers that salaries are never mentioned publicly, Newsom won't say a word. It was established, however, that Buck will draw a fancier salary than that to be paid Feller, whom the Indians signed yesterday for a reported \$30,000.

Newsom of 13 straight games and a World Series star; Newsom in 1940 enjoyed his finest season in a long career in the big leagues. He won 21 and lost five during the regular season and, in pitching 264 1/3 innings, was surpassed only by Feller, John Rigney of the White Sox, and Dutch Leonard, of Washington.

There were plenty of highlights to last night's ball game, but from our vantage point the job that "Red" Tucker did on the greatly feared, Frank Gigliotti was the brightest. To begin with, husky Richard outscored the Johnsonburg flash, caging five field goals to three for his opponent. Each of Gigliotti's trio was tough to get, one being in a tap-in after a melee under the basket, another being from the center of the floor and the third a circus shot without looking. Not once during the evening was the tall Johnsonburg lad able to set himself for a fling at the hoop. Gail Templeton and Cliff Graham were playing for a fling at the hoop. KRIBB IS NAMED NEW MENTOR AT YOUNGSHIRE HI

CHAPMAN GLAD TO RETURN TO NATS

SHEFFIELD HIGH SOLE OCCUPANT OF LAST PLACE

At a special meeting of the Youngshire board of education, Benton Kribb, a local athletic director at Emerson High School, was elected to succeed Tord Beck who has held a similar position at Youngshire since last fall.

Coach Beck, who went to Youngshire after the resignation of Clyde E. Moore, has accepted a position at Hicksville, Long Island, and will leave for there as soon as his successor can be found at Youngshire.

The new Eagle athletic director is a graduate of Canton State Teachers College, and took graduate work at Penn State.

Beck's football season was a successful one and he and Red White were the stars of the team in the years 1939 and 1940.

Montgomery Ala. Jan. 22.—(P)—Eye irritations cured, Ben Chapman is still convinced he still is a 300-hitter and a .300 for a come back in the Washington outfield this season under the best ownership combination in baseball.

What's more, he's happy and ready to go. The erstwhile hold-out, who had already signed his 1941 contract, and he "took a rest" because I had a bad year and name I was due it.

His batting average slumped to .285 at Cleveland last season and he hit only 12 home runs to Washington during the winter.

The move really didn't hurt him, as he is the best manager in the game. He and Clark Griffith made the best owner-manager combination in baseball.

Sheffield, Jan. 22.—The Wolverines became sole occupants of the New League cellar when they were conquered by the Ridgway Hawks in a closely contested battle here last night, 27 to 25.

Sheffield twice gained the lead and the score was knotted numerous times, the last at 24-24 with less than 10 minutes to play, but in the final minutes Capt. Barilla of the visitors came through with a red hot lead and a foul to give his team the decision and its first victory of the season. It was the fourth straight reverse in league play for the Wolverines.

The Wolverines Cubs bowed to Ridgway Jayvees in the preliminary game.

KINZUA COPS 26-24 THRILLER IN LOOP

Coach Messas' Kinzua Warriors copped a thriller from Lander on the Kinzua court last night, 26-24 in an Upper Allegheny League game. The score was tied at the end of the third period and Lander immediately went ahead 24-19 on the Massas court with a bucket to the game with room to spare.

Culbertson was the big gun for the Warriors.

The City League leaguists Danbers, Jewell, last night took off a run of the second-position Texas Lunch team by dividing marks . . . The Vets dropped by in the race, although retaining third place by dropping three at the Recreation Center . . . The Smoke Shop took the first two games from the Warten Bakers, but the Bikers rallied in the last game to set a new team mark of the season of 1,067 pins and a split . . . The 3-G Oils copped three from the Busz Ecs in fourth match . . . Vern Anderson - 276 was high game on his Honor Roll and Pete Johnson rolled 826 for best total.

Last Night's Bouts

By the Associated Press

New York—Andre Jessurun, 152½, New York outpointed Steve Belouse, 154½, New York, (8).

Washington—Ken Overlin, 161, Washington, outpointed Tony Cio, 161, Norristown, Pa. (10).

New York—Joe Tannotti, 128½, New York, stopped Aaron Seltzer, 127½, New York, (3).

As a matter of fact, the locals are now alone in second position, for St. Marys pulled a surprise victory on their home court to take over Emporium, 47-41.

Sheffield gave Ridgway a good battle before losing out, 27-25, as the Hawks registered their first league decision.

The Johnnies started out as though they meant business. Grumley and Gigliotti scored from the field, but Conroy and Tucker counted from the foul line. Krohn scored a foul and Grumley cut underneath for a bucket to bring the score to 7-2. Tucker Graham and "Jap" then scored in rapid succession to put the locals a point in the van, but Gigliotti dropped one in from the center of the floor and the Jays were out in front by the same margin. Just before the quarter closed, the Dragons took the lead for good as Conroy dribbled in and scored a lay-up.

Tucker and Conroy counted four while Zelchowski got a foul and Gigliotti's last basket for Johnsonburg, and after Franczak had scored from the foul line Graham duplicated and again Tucker and Conroy hit the hoop for two pointers, with Cliff following up. A pair of fouls for the Johnnies preceded another basket for Tucker and Franczak scored a double pointer to leave the score 23-18 at halftime.

Graham and Kay made fouls to start the second half, and then things began to happen. Conroy took a pass from out of bounds and registered two points. Tem-

SECONDS DUPLICATE VARSITY VICTORY

In a preliminary which didn't quite compare with the varsity game in scoring, the Dragon Seconds disposed of the Blue Jay youngsters, 27-13.

Don Shaap and Dean Nelson, with eight points apiece, led the procession for the locals.

The count was deadlocked at the end of the first quarter, but the locals blanked the Jays in the second period and coasted in from there.

ZIVIC FRACTURED HAND IN LAST GO

Pittsburgh, Jan. 22.—(P)—A slight fracture of the left hand will delay about a week the departure of Welterweight Champion Fritz Zivic for the sunny Southland.

Zivic received the injury in successfully defending his title against Henry Armstrong, the former champion, last Friday night. After a week's rest and treatment, Zivic and his family will leave for a vacation in Miami.

Marian Gebhardt Is Married In Bethesda Church On Saturday

Announcement is made today that Marian L. Gebhardt, daughter of Mrs. Julia Gebhardt, of Warren, was married to Edgar L. Bessette, of Washington, D. C., at 9:30 o'clock Saturday morning in Our Lady of Lourdes church in Bethesda, Md.

The ceremony was performed by the Rev. Joseph Little. The couple were attended by Mr. and Mrs. John Cooney.

The bride wore a street length frock of gold crepe, with matching hat, and a shoulder corsage of gardenias. Mrs. Cooney wore a brown suit, brown hat and shoulder corsage of Talisman roses.

After a short wedding trip, Mr. and Mrs. Bessette will reside at 2523 Wilson Boulevard, Arlington, Va.

Mrs. Bessette has been employed by the Bell Telephone Company here and Mr. Bessette is associated with The Alexander Company in the capital.

The nuptial parties honoring the bride-elect were given by Miss Margaret Wagner, Mrs. Walter Temple, Mrs. Edwin Werle, Mrs. Bill Irwin, Mrs. William Cashman, Mrs. Edward Johnson, the traffic department of the Bell Telephone Company and a group of friends.

Tobruk Defenses Invaded

(From Page One)

all night Sunday and all day Monday to the accompaniment of the naval bombardment, paved the way for the beginning of the ground assault on Tobruk at dawn yesterday.

Australian shock troops and a picked British regiment, supported by tanks and fast Bren gun carriers, led the attack on Tobruk, the outer defenses—a ring of forts about 25 miles in circumference.

By noon, the British high command announced, the attack had penetrated to a depth of five miles, smashing through not only the outer defenses, but an inner ring of fortifications as well.

Throughout the night, fighting surged around the port as the British continued to advance.

British headquarters said "many prisoners," including a general, were taken in the first fierce assault.

One by one, the guns of the Italian defenders were silenced as the British fleet, defying the threat of German dive bombers which recently have been operating in the Mediterranean, poured tons of explosives into the battered town.

Observers at the front described the naval bombardments as "ground-shaking."

"Shells rained on the town at a seemingly incredible rate," one observer declared, "and the very air reverberated with the din."

The British announced last night the shelling had left the Italian cruiser San Giorgio, said to have been beached in Tobruk harbor, a mass of flames.

Rumania Under Army Control After Rioting

cities where blood was spilled during 24 hours of disorders and ordered the death penalty for anyone committing crimes against members of the German military mission in Rumania.

(Disparages from Belgrade yesterday said the fighting was being heavily armed Rumanian Iron Guard extremists and the Rumanian army, with Nazi troops helping restore order.)

Gen. Antonescu blamed the outbreaks on "some misunderstanding individuals, rebellious elements, and foreign agents."

"In 24 hours," he declared in a proclamation "we must re-establish order and tranquility because I have not been until now and I do not want to be tomorrow an instrument of tyranny or the bridge leading to anarchy."

Dimitre Popescu, military commander of Bucharest, took over the office of minister of the interior yesterday after the dismissal of Minister George Petrucescu in an aftermath of the disorders and of the slaying of a Major Doering of the German military mission.

Authorized German sources in Berlin said that the situation in Rumania is regarded as in a stage of lessening tension. The belief was expressed that when great internal changes occur as in Rumania some friction is natural.

It was announced last night that Petrucescu was dismissed "for failure to set up a guard around the hotel housing the German military mission, failure to take the necessary steps after the murder of the German major, and for allowing internal order to collapse."

DECLARER MAKES GAME IN SPADES; CASHES ONE TRUMP
BY WM. E. MCKENNEY
America's Card Authority
Occasionally the experts will get tangled up in their bidding. Most often, of course, such confusion results in disaster, but John Law

of Cleveland, whom I consider one of the finest card players and, as a matter of fact, one of the greatest auction bridge players who ever lived, told me about today's hand. He and his partner became a little confused in the bidding, and it does seem odd to make game in spades, winning only one spade trick. This, however, is the way it happened.

The opening lead was won by the ace of clubs. Law saw that his only chance was to try to cash three tricks in each suit outside of trumps. Naturally he tried the hearts first, and happily all three rounds got by. Next the king of clubs was taken, followed by the queen. When this suit too broke evenly,

BUCCANEERS SIGN TWO MORE PITCHERS

Pittsburgh, Jan. 22.—(P)—The Pirates today announced signing for 1941 of two young right-hand pitchers whom the club optioned to Syracuse of the International League last year. They were Lloyd (Dutch) Dietz, 26, of Beaumont, Tex., who won nine and lost 13, and 21-year-old Bill Clemensen, San Jose State College student, who won one and lost four.

Chicago Strike Got Them in the Feet

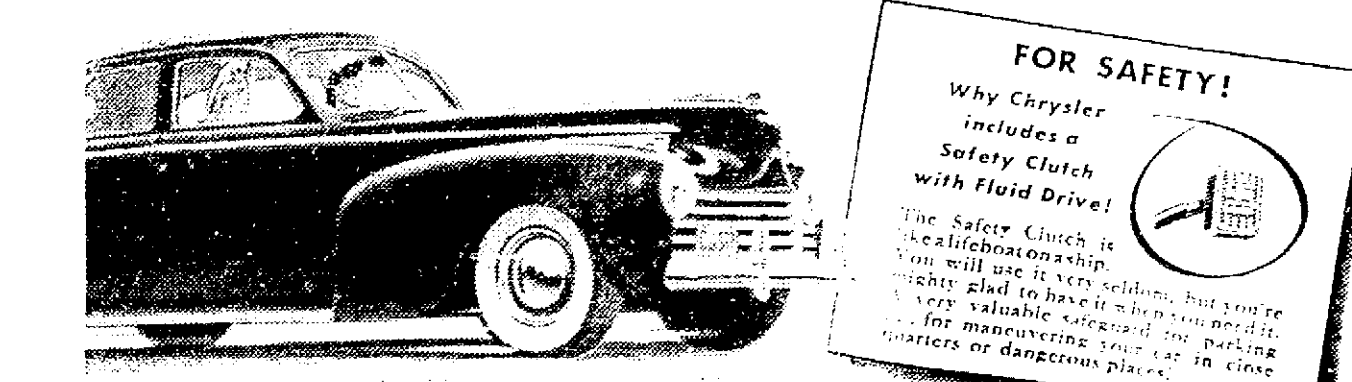

These employees at Chicago's city hall had to climb five flights of stairs to their offices, but they rode down. In short-lived strike, unionized municipal employees protested a proposed salary cut by shutting off elevator and other public services for 5 1/2 hours. Nursing sore feet on the way up are Joan Holt, Esther Siegel and Lorraine Ceski.
